

# Free Orthodontic Consultation

**W**e like to make things easy; this is why we offer evening appointments. In fact, we are open until 9 p.m. from Monday to Thursday so you don't have to miss work to come to see us. We would like to make orthodontics affordable: come in for a free consultation and compare our fees, you will see why some people come from as far as Laval and Montreal North for their orthodontic treatment. We offer interest-free payment plans as well as financing as low as \$99 a month (with credit approval). For those who have dental insurance, you can also rest assured that we will always attempt to maximize your benefits so that you may take full advantage of the coverage that you are entitled to.

## The Consultation includes:

- \* Preliminary Diagnosis
- \* Preliminary estimate of all costs
- \* Evaluate duration of treatment
- \* Photographs
- \* Written Report
